

## **M.D. of Bonnyville Media Release March 28, 2013**

### **M.D. of Bonnyville celebrates Earth Day**

The Municipal District of Bonnyville wants you, to help us, celebrate Earth Day and to assist us in cleaning up the litter in the municipality.

Starting April 2, we're asking you to send the M.D. via Facebook, a photo of you picking up garbage anywhere in the M.D. We will publish an album of the photos on the M.D.'s Facebook page. From there, everyone's name will be entered into a draw for the four prize packages. Photos must be in by midnight April 21. The draw will occur on Earth Day, April 22.

Prizes include:

1. Backyard composter
2. Waste management gift pack, including new garbage and recycling storage containers
3. Gift certificate from a local greenhouse
4. Basket full of gardening tools

Each prize will be accompanied by a selection of M.D. swag.

This contest is in addition to the M.D.'s Roadside and Landfill Clean-up Program. This program gives locally established community groups and organizations a chance to raise money and help clean up the community. Clean-up rates are: \$100/km Special Rate, \$60/km Urban High Use and \$40/km Rural. Please mail your letter of application to: Bag 1010, Bonnyville, AB T9N 2J7. Applications must be approved by the Director of Agriculture Matt Janz, prior to the commencement of the clean-up. For more information contact Matt Janz at 780.826.3951.
