

M.D. of Bonnyville Media Release June 13, 2013

Road Advisory for Range Road 475 to Wolf Lake

Due to the recent rains, and the forecasted rain this weekend, the Municipal District of Bonnyville is recommending that people do not travel on Range Road 475 into the Wolf Lake Campground. Campers who travel into Wolf Lake this weekend, do so at their own risk.

The M.D. will keep people posted via Facebook (www.facebook.com/MDBonnyville), Twitter (@MDBville) and the website (www.md.bonnyville.ab.ca) on the condition on this road throughout the summer.
