**□#2 Transportation and Utilities Update** – Construction and brushing crews are continuing their work on brushing sight lines and have completed brushing on the Wolf Lake Road. Council agreed to award the tender for Asphalt Crack Sealing on the La Corey Resource Road to RANN Maintenance at a cost of \$84,000 plus GST. Council agreed to award the tender for road and surface works for the Ardmore Phase IV project to E Construction Ltd for \$903,410, plus an additional \$93,170 for contingency, engineering, testing and surveying. E Construction was also awarded the tender for the Crane Lake Road Base Paving project, at a cost of \$3,804,850 (plus GST), including contingency, engineering, testing and surveying. Council awarded the three-year contract for General Engineering Services to SE Design and Consulting Inc.

**□#3 Planning and Development Update** – Council gave first reading to Land Use Bylaw 559, which will see SW-3-61-6 W4M rezoned from Agricultural ‘A’ to Country Residential ‘CR’ and ‘CR1’.

**□#4 Public Safety Update** – MLA Scott Cyr visited the Public Safety Department and learned about the M.D.’s School Resource Officer Program. Speaking of the SROs, they have been working on completing the Right Choices program at Cold Lake Middle School and wrapping up the CSI program at Nelson Heights School, also in Cold Lake. Nice weather leads to nice roads, and officers have noticed an increase in speeding violations over the past two weeks.

**□#5 Funding** – The Glendon Ag Society received its annual operating grant of \$20,000. Council agreed to support STARS at a cost of \$12,000.
