

**MUNICIPAL DISTRICT OF
BONNYVILLE NO. 87**
CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

INDEPENDENT AUDITORS' REPORT

To the Reeve and Council of the Municipal District of Bonnyville No. 87

We have audited the consolidated statement of financial position of the Municipal District of Bonnyville No. 87 as at December 31, 2015 and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Municipal District of Bonnyville No. 87 as at December 31, 2015 and the results of its operations, the change in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**MANAGEMENT'S RESPONSIBILITY
FOR FINANCIAL REPORTING**

To His Worship the Reeve and Members of Council of the Municipal District of Bonnyville No. 87
Bonnyville, Alberta

The management of the Municipal District of Bonnyville No. 87 prepared these consolidated financial statements and is responsible for their reliability, completeness and integrity. They conform, in all material respects, with accounting principles for local governments established by the Canadian Institute of Chartered Accountants.

Management maintains the necessary accounting and internal control systems designed to ensure: the timely production of reliable and accurate financial information, the protection of assets (to a reasonable extent) against loss or unauthorized use, and the promotion of operational efficiency. The Reeve and Council oversee management's responsibilities for the financial reporting and internal control systems.

The auditors, appointed by the Reeve and Council, conducted an audit of these consolidated financial statements in accordance with Canadian generally accepted auditing standards. The Chief Administrative Officer and the Municipal Administrator reviewed these consolidated financial statements with the auditors in detail before recommending their approval to the Reeve and Council.

MUNICIPAL DISTRICT OF BONNYVILLE NO. 87

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Municipal District of Bonnyville No. 87 (the "Municipality") are the representations of management prepared in accordance with Canadian public sector accounting standards. Significant aspects of the accounting policies adopted by the Municipality are as follows:

(a) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenses, and change in net financial assets and cash flows of the reporting entity. The entity is comprised of all the organizations that are owned or controlled by the Municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources. They include the Municipal District of Bonnyville No. 87 Library Board and the Municipality's proportionate share of the Bonnyville Regional Fire Authority 71.000% (2014 - 79.975%).

The schedule of taxes levied also includes requisitions for education and seniors foundations that are not part of the municipal reporting entity.

The statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

(b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods and services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

(c) Land Held for Resale

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as physical assets under their respective function.

(d) Investments

Investments are recorded at cost. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

(e) Landfill Closure and Post-Closure Liability

Pursuant to the *Alberta Environmental Protection and Enhancement Act*, the Municipality is required to fund the closure of its landfill site and provide for post-closure care of the facility. Closure and post-closure activities include the final clay cover, landscaping, as well as surface and ground water monitoring, leachate control, and visual inspection. The requirement is being provided for over the estimated remaining life of the landfill site based on usage.

(f) Pension Expenses

Contributions for current and past service pension benefits are recorded as expenses in the year in which they become due.

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(g) Tax Revenue

Property tax revenue is based on assessments determined in accordance with the *Municipal Government Act*. Tax mill rates are established annually. Taxation revenues are recorded at the time tax billings are issued. Assessments are subject to appeal.

Construction and borrowing costs associated with local improvement projects are recovered through annual special property assessments during the period of the related borrowing. These levies are collectible from property owners for work performed by the Municipality. Under the accrual basis of accounting, revenues to be received from local improvement assessments are recognized in full in the period the local improvement project costs are incurred and the passing of the related imposition by-law.

(h) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the period. Where management uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

The Municipality has used estimates to determine an allowance for doubtful accounts, accrued liabilities, employment benefit obligations, and the useful lives of tangible capital assets.

(i) Government Transfers

Government transfers are the transfer of assets from all levels of governments that are not the result of an exchange transaction, are not expected to be repaid in the future, or are the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period that the events giving rise to the transfer occurred, providing the transfers are authorized, any eligibility criteria have been met by the Municipality, and reasonable estimates of the amounts can be made.

(j) Requisition Over-Levies and Under-Levies

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. In situations where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

(k) Allowances for Operating and Physical Assets

Allowances for asset valuations are netted against the related asset. Increases in allowances are recorded as expenditures, while decreases in allowances are recorded as revenues.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(l) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated change in net financial assets for the year.

i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis or 10% declining balance over the estimated useful life as follows:

Buildings	50 years
Engineered Structures	
Water system	40 years
Wastewater system	40 years
Other engineered structures	10-40 years
Machinery and Equipment	5-20 years
Heavy Machinery and Equipment	10% declining balance
Vehicles	10-15 years

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

iii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

iv) Inventory for Consumption

Inventory held for consumption is recorded at the lower of cost and replacement cost with cost determined using the average cost method.

v) Cultural and Historical Tangible Capital Assets

Works of art for display are not recorded as tangible capital assets but are disclosed.

11. LANDFILL CLOSURE AND POST-CLOSURE LIABILITY

Alberta environmental law requires closure and post-closure care of landfill sites, which includes final covering and landscaping, pumping of ground water and leachates from the site, ongoing environmental monitoring, and site inspections and maintenance.

The estimated total liability represents the net present value of the discounted cash flows of the total estimated cost for closure and post-closure activities for 25 years after closing using a discount rate of 5% and assuming annual inflation of 2%.

The accrued liability is based on the cumulative capacity used at year end compared to the total estimated landfill capacity. The estimated remaining capacity of the landfill sites is 650,791 (2014 - 659,348) cubic metres.

The Municipality transferred waste management activities to the Beaver River Regional Waste Management Commission effective April 1, 2009. As part of this transfer several existing landfills stopped receiving municipal solid waste and were closed. Some of the closed landfills were converted to waste transfer stations and some were restricted to receiving inert wastes only.

The Municipality administers a trust for tax sale surplus accounts. Details are as follows:

	<u>2015</u>	<u>2014</u>
	\$ <u> -</u>	\$ <u>52,629</u>

Trust funds administered by the Municipality have not been included in the Statement of Financial Position nor have their operations been included in the Statement of Operations.

15. DEBT LIMITS

Section 276(2) of the *Municipal Government Act* requires that debt and debt limits as defined by Alberta Regulation 255/2000 for the Municipality be disclosed as follows:

	<u>2015</u>	<u>2014</u>
Total debt limit	\$108,275,505	\$104,484,620
Total debt	<u>819,030</u>	<u>1,106,925</u>
Amount of total debt limit unused	<u>\$107,456,475</u>	<u>\$103,377,695</u>
Debt servicing limit	\$ 18,045,918	\$ 17,414,103
Debt servicing	<u>237,608</u>	<u>338,757</u>
Amount of debt servicing limit unused	<u>\$ 17,808,310</u>	<u>\$ 17,075,346</u>

The debt limit is calculated at 1.50 times revenue of the Municipality (as defined in the Alberta Regulation 255/2000) and the debt service limit is calculated as 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are a conservative guideline used by Alberta Municipal Affairs to identify municipalities that could be at a financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the Municipality. Rather, the financial statements must be interpreted as a whole.

MUNICIPAL DISTRICT OF BONNYVILLE NO. 87

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

17. CONTINGENCIES

The Municipality is a member of the Alberta Local Authorities Reciprocal Insurance Exchange ("ALARIE") and the Genesis Reciprocal Insurance Exchange ("Genesis"). Under the terms of membership, the Municipality could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

Once all claims and other financial obligations have been satisfied, there will be funds remaining to be distributed among the members. The process to determine the member's individual share of the expected surplus is being developed and will be distributed on a fair and timely basis.

18. COMMITMENTS

The Municipality has committed \$14,000 per year to the Bonnyville and District Chamber of Commerce for the Shaw House Centre under a cost-sharing arrangement with the Town of Bonnyville. This commitment remains in effect until the mortgage is paid out.

19. LOCAL AUTHORITIES PENSION PLAN

Employees of the Municipality participate in the Local Authorities Pension Plan (LAPP), which is covered by the *Public Sector Pension Plans Act*. LAPP is financed by employer and employee contributions and investment earnings of the LAPP Fund.

The Municipality is required to make current service contributions to the Plan of 11.39% of pensionable earnings up to the Canada Pension Plan year's maximum pensionable earnings and 15.84% for the excess. Employees of the Municipality are required to make current service contributions of 10.39% of pensionable earnings up to the year's maximum pensionable earnings and 14.84% on pensionable earnings above this amount.

Total current and past service contributions made by the Municipality to the LAPP in 2014 were \$1,478,086 (2013 - \$1,347,624). Total current and past service contributions made by the employees of the Municipality to the LAPP in 2014 were \$1,364,398 (2013 - \$1,243,423).

At December 31, 2014, the LAPP disclosed an actuarial deficit of \$2,454.6 million (2013 - \$4,861.5 million).

20. FINANCIAL INSTRUMENTS

The Municipality's financial instruments consist of cash and temporary investments, accounts receivable, investments, accounts payable and accrued liabilities, deposit liabilities, requisition over-levy, callable debt and long-term debt. It is management's opinion that the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments.

The Municipality is subject to credit risk with respect to taxes and grants in place of taxes receivable and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Municipality provides services may experience financial difficulty and be unable to fulfill their obligations. The large number and diversity of customers minimizes the Municipality's credit risk.

Unless otherwise noted, the carrying value of these financial instruments approximates their fair value.

21. SEGMENTED INFORMATION

The Municipality provides a range of services to its residents. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1. For additional information see the Consolidated Schedules of Segmented Information.

22. AMBULANCE

Effective January 1, 2014 the Bonnyville Regional Fire Authority signed an Assignment and Novation Agreement with Alberta Health Services to take over the operations of the Bonnyville Municipal Ambulance. The Bonnyville Municipal Ambulance's assets, liabilities and accumulated surplus of \$943,065 were amalgamated into the Bonnyville Regional Fire Authority.

The effect on the 2014 comparative figures caused the Municipality to consolidate an additional \$1,948,296 into user fees and sales of goods, \$1,986,771 of expenses and local government transfers of \$754,207.

23. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the current year's financial statement presentation.

24. BUDGET

The budget figures presented in these consolidated financial statements are based on the budget approved by the Municipality's council on April 8, 2015 and include the Municipality's proportionate share of the Bonnyville Regional Fire Authority's budget. Amortization was included in the budget but was removed for the calculation of the taxation requirement.

25. ACCOUNTING POLICY ADOPTION

In June 2010, the Public Sector Accounting Board issued *PS - 3260 Liability for Contaminated Sites* for fiscal years starting on or after April 1, 2014. Contaminated sites are a result of contamination being introduced into the air, soil, water, or sediment of a chemical, organic, or radioactive material, or live organism that exceeds an environmental standard. The Municipality adopted this accounting standard retroactively as of January 1, 2015. There was no impact to the Municipality's financial statements due to this adoption.

26. APPROVAL OF FINANCIAL STATEMENTS

These financial statements were approved by Council and Management.
