Caroline Palmer

Director of Planning & Development

FLOODING IN THE M.D.

If you need to report a flooding issue in the Municipal District of Bonnyville, please call 780-812-5000. This number is monitored seven days a week and after hours.

Issues will be dealt with in a priority sequence – flooding threatening property/infrastructure will be dealt with first, followed by any other concerns.

To report beaver concerns, please call the Agriculture and Waste Department at 780-826-3951.

RURAL CRIME PREVENTION OPEN HOUSE

As part of the Rural Crime Prevention Program, M.D. Peace Officer Dan Hansen is conducting rural crime open houses regarding vehicle theft and crime prevention through environmental design (CPTED).

He will go over the most commonly stolen vehicles and have some tips on how to keep your vehicles (including farm and commercial vehicles) and properties safe. There is an open house scheduled for April 30 at the Shaw House, Vezeau Beach from 7 p.m. to 9 p.m.

If you'd like to set up an appointment for a free CPTED assessment, please call 780-812-3332.

DO YOU NEED A NEW ADDRESS SIGN?

Spring has sprung, and many M.D. residents have embarked on their annual yard clean up. Take a look at your blue address sign. Is it faded or damaged? Do you need a new one? Take a look at the picture below. Does it look like the one on the left?

If it does, call Kelly at 780-826-3171 to order your replacement sign today, at no additional charge.

EMPLOYMENT OPPORTUNITY MANAGER OF TRANSPORTATION

Function:

This position is responsible to plan, coordinate and manage all operation and maintenance activities for the municipality's Transportation and Utilities Department. This role includes, but is not limited to capital planning and delivery of capital projects involving roads, bridges, and surface drainage.

Duties & Responsibilities:

- Manage and supervise the work of the transportation staff and discuss priorities and schedules with the Director of Infrastructure Services.
- Provide positive leadership and guidance to transportation staff.
- Manage the maintenance and repair of all municipal roadways, roadside areas and related drainage work and installation in accordance with required service levels and priorities.
- Establish an outline of roadway dust control programs and priority guidelines for municipal road system.
- Develop and implement a brushing program to address roadside safety.
- Manage a program for the assembly and maintenance of required signage and safety devices.
- Determine the requirement for gravel crushing and manage gravelling program.
- Assist in developing a capital plan and the delivery and management of capital projects with the assistance of contractors and engineering consultants.
- Assist in developing and implementing the Asset Management Plan.
- Prepare preliminary cost estimates for potential or desirable future works to facilitate consideration for approval and prioritization.
- Develop terms of reference for required consultant services and solicit and evaluate proposals with a recommendation for consultant activities.
- Schedule and coordinate the preparation of tender documentation, receipt of tenders and the recommendation of a contractor for road improvement.
- Schedule and arrange for preliminary survey designs, engineering, construction activities and necessary land acquisitions to facilitate timely implementation of approved road program and priorities.
- Manage and coordinate contract supervision, cost control and where required measurement and quantity of certification of contractor payment.
- Provide feedback to the Manager of Infrastructure to coordinate programs for the maintenance, repair, replacement and acquisition of equipment or related facilities.

Qualifications:

- University or Technical/Community College graduate or equivalent in business administration, commerce, engineering, planning and development or other related fields.
- Post-Secondary education in civil engineering, transportation and utilities management and human resource management and leadership is preferred.
- Minimum of five (5) years of progressively more responsible experience in a municipal environment.
- Excellent interpersonal skills, demonstrated leadership ability.
- Excellent communication skills, both oral and written.

Competitive Wage and Benefit Package

Closing date: April 27, 2019

REQUEST FOR PROPOSAL PROVISION OF LEGAL SERVICES

The Municipal District of Bonnyville No. 87 is seeking proposals in response to this RFP in relation to:

The Provision of Legal Services.

Proposals will be received by: **Tolulope Maraiyesa CPA, CGA**

Time and date for the closing of the RFP is:

3:00 p.m. MST on April 26, 2019 (the "RFP Closing Date")

1. The proposal package can be obtained at www.md.bonnyville.ab.ca
2. Proposals cannot be withdrawn and must be irrevocable for a period of sixty (60) days after the RFP Closing Date in order to allow for the M.D. to evaluate the various proposals and to undertake the negotiations with the selected proponents.
3. The M.D. reserves the right to accept or reject any and all proposals and to waive irregularities and informalities at its discretion.
4. All written inquiries regarding the technical aspects of the Request for Proposals shall be emailed to tmaraiesa@md.bonnyville.ab.ca, however, each proponent acknowledges and agrees that the M.D. does not have an obligation to provide a response to any written inquiry. Telephone inquiries will not be replied to.
5. If the M.D., in its sole and unfettered discretion, determines that a written response to an inquiry is warranted, a written response will be prepared and distributed to all proponents who have requested a copy of the Request for Proposals and completed the acknowledgment form. Such written response(s) will be issued in the form of an addendum to the Request for Proposals and will be deemed to be part of the Request for Proposals.

MUNICIPAL DISTRICT OF BONNYVILLE #87

Outdoor Recreation Park Site Program and Concept Plan Review - Open House

Project Update

The Municipal District of Bonnyville has been developing a Feasibility Study to explore the potential benefits, options, and viability of developing a new outdoor recreation park.

The project team has now developed a draft site program (components and amenities) and concept plan. The Open House event is being held to gather feedback which will be used to further refine the site program and concept plan.

Format:

- Presentation: 6:30 - 7 p.m.
 - » The consulting team will review the key research and engagement findings.
 - » The process used to develop the draft site program and concepts will be explained.
- Informal Review and Feedback: 6:30 - 8 p.m.
 - » Display panels with the concept plan images and other pertinent information will be available for review.
 - » Attendees will be able to provide feedback directly to the project team and/or complete a feedback form.
