

## Municipal District of Bonnyville Media Release Sand-Drop Locations for Moose and Crane Lake Residents

*June 29, 2017* – Sandbags are now available for lakeshore residents affected by high water levels on Moose Lake and Crane Lake, with sand fill locations established in both locations.

Sandbags are currently available at the Public Works shop, located at 61330 Range Road 455 and the Main Office at 4905 – 50 Ave. in Bonnyville. Bags will be released to lakeshore residents in 100-bag intervals per household.

The sand-drop locations are as follows:

- West end of Vezeau Beach
- Turcotte Subdivision, Municipal Reserve (MR) lot on the north side
- Nicholson Subdivision bin site
- North Shore Heights bin site
- Fontaine Subdivision bin site
- Crane Lake East and West dumpster sites

The Summer Village of Pelican Narrows lakeshore residents will be able to pick up sandbags at the Pelican Narrows Community Hall. In order to pick up sandbags, please contact Paddy Lapointe at:

- Office – 780-826-5907, Cell – 780-573-5129, Home – 780-826-2804

Pelican Narrows residents can fill their sandbags at the playground beside the Pelican Narrows Community Hall.

The M.D. is currently working with the Summer Village of Bonnyville Beach for a similar program.

The M.D. will continue to provide updates on this situation via our Facebook page ([www.facebook.com/MDBonnyville](http://www.facebook.com/MDBonnyville)) and via our website at [www.md.bonnyville.ab.ca](http://www.md.bonnyville.ab.ca).
