REQUEST FOR PROPOSAL 2022 Metal Recycling Service

The Municipal District of Bonnyville is seeking proposals from qualified firms for the provision of metal recycling services for a three-year term, starting in 2022.

Background

The Municipal District of Bonnyville has seven landfill sites that require metal recycling service. The landfills requiring service are Goodridge, Therien, La Corey, Hilda Lake, Ardmore, Fort Kent, and Muriel Lake. Historically, metal recycling service has occurred on a 12- to 18-month schedule.

Fridges, freezers, air conditioners, and water coolers are collected and stored separately at each of the seven sites and will require refrigerant (CFC) removal prior to metal recycling service. Approximately 200 of these units are collected on an annual basis across the seven landfills.

A copy of the RFP can be found at <http://www.md.bonnyville.ab.ca/bids.aspx>

Proposals shall submit a tender titled “2022 Metal Recycling Service” to the undersigned before 11 a.m. on April 28, 2022:

Brad Ollen, Manager of Waste Services
