REQUEST FOR TENDERS

Beaver Dam Removal Services

The Municipal District of Bonnyville invites tenders for the provision of beaver dam removal services.

The M.D. is committed to protecting municipal infrastructure from water movement problems related to beaver activity. Throughout the year, we often encounter beaver blockages impeding water flow, and require services to unplug culverts and open dams.

This tender closes on April 9, 2020 at 10 a.m.

STRYCHNINE SALES LIMITED SCHEDULE

The Municipal District of Bonnyville will be selling liquid strychnine to qualified farmers for a set time each Friday during the closure of M.D. offices.

Starting March 27, farmers who have a verified gopher problem and are qualified by the M.D., will be able to buy strychnine from 8 a.m. to noon every Friday. This will be the only time the pest control measure will be available for purchase. If you are purchasing strychnine, please go to the Ag Services door on the side of the shop at 61330 Rge. Rd. 455.

Please note – due to Friday, April 10 being a holiday, strychnine sales will be conducted on Thursday, April 9 from 8 a.m. to noon. The regular schedule will resume the following week, and will continue until the end of May.

During this time, the M.D. will be billing individual farmers for the strychnine. No payments will be accepted in person.
