The above schedule are the only programs that the pool will run within Phase 2; we are going with a soft opening to allow staff and patrons time to adjust to the new normal routine:

- 1) Lane Swim
- 2) Aquafit
- 3) Swimming Lessons (SW 4-6) (Dates & Times to be Published later)

* We are suggesting that patrons take a quick rinse off in the shower and then once at home they can take a longer cleansing shower.

* For now once they exit the pool we ask that you limit yourself to **15 mins** in the changeroom (includes showering and changing) after your swim to all staff to be able to go in and disinfect in order to allow the next group of patrons in for their program.

We are only going with a Reserve System; no drop-ins. Please call ahead to book your time slot. Max 1 hr. Please be respectful of others while in the facility and follow all guidelines set out by the Bonnyville Swimming Pool and Alberta Health Services
