

## Landowner Beaver Control Application

Adopted by Council – July 14, 2021 Resolution No. 21.479

### Purpose

In accordance with the Beaver Control Policy (Policy # 5A.003), residents of the Municipal District of Bonnyville (M.D.) who are registered landowners may apply for compensation of beaver control at approved locations. This program will help offset some of the landowner's expenses when dealing with wet habitat areas that are of continuous concern.

### Terms and Conditions

- (1) The applicant must pre-register and have their land approved by the General Manager of Environmental and Protective Services or his/her designate to qualify for this program.
- (2) The applicant must be the registered owner/renter of the farmland in the municipality (Trapper proxy may be used to cull beavers).
- (3) The applicant must have verifiable beaver population on the parcel of land they wish to cull beavers on.
- (4) Only whole, untouched beaver tails will be accepted for this program.
- (5) The applicant may claim up to 10 beavers per parcel of land, per year, that has a waterbody on it with a verifiable beaver population. An incentive of \$20.00 per beaver is applicable up to a maximum of \$200.00 per year, per parcel.
- (6) The applicant may claim up to 30 beavers per parcel of land, per year, that has a creek or stream on it with a verifiable beaver population. An incentive of \$20.00 per beaver is applicable up to a maximum of \$600.00 per year, per parcel.
- (7) The applicant must have their beaver tails submitted by the semi-annual cut-off dates of June 15th and December 15th for payment which will be processed within 30 days thereof.
- (8) Trappers contracted by the M.D. are exempt from this program.
- (9) The M.D. Agricultural Service Board will deny payment and qualification for this program if the applicant is found to have provided false or misleading information.**
- (10) The applicant verifies that:
  - (a) The beaver(s) was/were destroyed at the location reported.
  - (b) The beaver(s) was/were not destroyed in a manner that would contravene any laws or legislation.
  - (c) The beaver(s) will be salvaged in accordance with Alberta Trapping Regulations on the location agreed upon on this form.
  - (d) The applicant understands that pursuant to Alberta Trapping Regulations, it is illegal to sell whole or unskinned carcasses to anyone other than a licensed fur buyer.

- (e) Removal of problem beavers for payment must adhere to fur management of prime pelts as per Fur Management Regulations and the Alberta Wildlife Act and Regulations. All beavers must be controlled in accordance with the Alberta Wildlife Regulation.
